**ENSURING THE HEALTHCARE
PROFESSIONALS OF OUR COMMUNITY
HAVE THE TOOLS TO DO THEIR JOBS!**

The Canadian healthcare system ensures that we will always receive the care we need, when we need it.

But when the great citizens, businesses and organizations of our community donate to the Sault Area Hospital Foundation, we are able to ensure our Hospital has the best equipment available for use in patient treatment.

Your gift is not just a donation to the Hospital, it's a commitment to excellence in healthcare for Our Community.

Thank You!

**NEPTUNE 2 WASTE
MANAGEMENT
SYSTEM**

THE WASTE MANAGEMENT SYSTEM CONTAINS ALL HAZARDOUS FLUIDS DURING PROCEDURES, PROTECTING BOTH THE CLINICAL STAFF AND PATIENT. THIS ALLOWS FOR COMPREHENSIVE MANAGEMENT OVER FLUID AND GAS EVACUATION DURING PROCEDURES.
