March 30th - National Doctors' Day

This national holiday recognizes and shows appreciation to our local physicians for their dedication and work in our community. The most meaningful recognition, however, comes from the patients that benefit from their care. Our Grateful Patient program is a great way to thank any healthcare professional for their support. What Are You Grateful For?

A cancer diagnosis affects not only yourself but also your friends & family. You may feel scared, uncertain or angry about the unwanted changes cancer will bring to your life.

Darlene experienced just that but her story is truly inspiring. [Read more](#) on page 2 of the 'Building a Bridge to the Future' newsletter.

Planning A Wedding?

Jordan and Stefanie Law celebrated their wedding last summer. They wanted to make a gift to the charity that has helped battle the diseases that have affected their family the most. With this they also came up with an excellent idea for any of the young couples out there planning a wedding. For more information regarding this growing trend among wedding planners, [Read more](#)

Celebration Of Life Recognition Wall

This Recognition Wall, located on level 2 of the Sault Area Hospital, acknowledges gifts made in memory of a loved one to the Sault Area Hospital Foundation. Hundreds of names currently sit on the wall as a symbol, not only of the love of their families, but of the support our community has for this Hospital. [Read more](#)
